Our youngest Knights represented by the Freshman Class Council, got the '78-79 school year off to a great start! During the elections many of the students showed a promising interest in their class government. The freshman president, Mike Ciraulo, was aided by Mr. Sefton, who provided a strong support for the young Knights.

Diana,

Songs #1

We had so much fun  
this year and I know we'll  
have a lot more. We can go  
to the beach together this

The Sophomore Class Council, directed by Karen McConnell, president, and sponsored by Mr. Salerno, enjoyed an eventful year. The representatives were faced with the decision of the class ring. The Sophomore Class was very involved in all aspects of student government.

Summer or to a party.  
I know we will all do our  
best in Songs to keep up the  
tradition. Your very sweet  
and I know you'll stay that way. Love

Diana

It's been a pretty good  
 year. Thank  
 though. We  
 distant friends  
 but that can  
 for. We better  
 do some-  
 thing  
 this summer cuz it's gonna be hot. We'll  
 raise some money and make  
 some good memories. Good luck and welcome.

Representatives of the Junior Class Council had an extremely busy year, highlighted by the arranging of the Junior-Senior Prom. Discussions and plans for fundraising projects were also major issues. President Kathy Yturralde, with the helpful advice of Mr. Russell, kept the spirited Knights organized. After having a profitable year, the Junior class has many new ideas and is looking forward to next fall.

The Varsity Football Team had an unforgettable year! Starting out slowly, the Knights gained momentum in league games and were successful in winning a place in the CIF playoffs. The team instilled a deeper pride and interest in the Arroyo students, and fear in cross town rivals. Coaches and players deserve congratulations for contributing to such an outstanding season!

The Varsity Cross Country Team was very young and inexperienced with only two returning lettermen from the 1977 team. The team finished fourth in the League finals with only two Seniors on the squad. With the experience the Varsity received this year along with the champion Frosh-Soph and JV teams, the Arroyo Cross Country program should enjoy much success in the coming years.

# GIRLS STATE

Debbie Aiwasian

The week I spent at California Girls State 1978 was one of the most exciting experiences of my life. At Girls State, I learned and experienced the workings of government and I made many new friends. Girls State is designed to encourage young women to be more involved and concerned citizens.

I will always cherish the values I gained from Girls State and I would like to thank Mrs. Katherine Trepp, the faculty, and the American Legion Auxiliary for giving me this wonderful opportunity.

Sincerely,  
Debbie Aiwasian

# FALL ASB

This is extremely hard for me to write. This is the last time I can express my feelings to you.

The first semester was a blast for me and a great success for our school. In sports our football team finally played like Arroyo Knights and went to the C.I.F. Quarter Finals. The girls did their usual great job by taking 1st in league and going to C.I.F. in volleyball again. Homecoming was a great success and Carol Conboy was our queen.

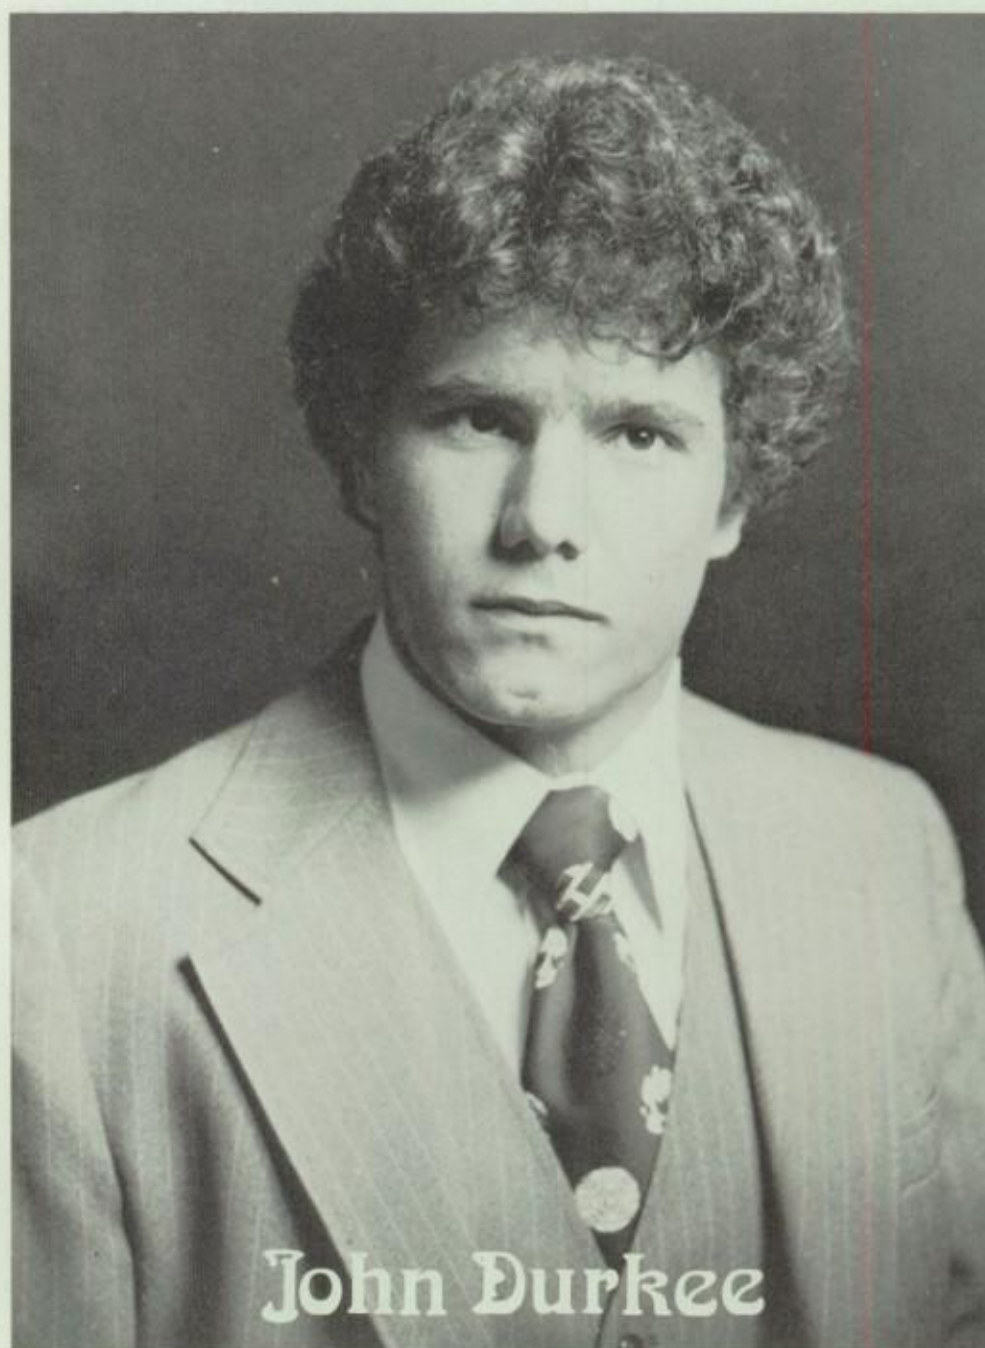

But our biggest success was the way we began to treat each other. Instead of the usual back-stabbing, I saw people working together. All of that contributed to some of the best school spirit I've seen for quite a while.

I demanded a lot of work from the fall commission, and they responded. For the most part these people were very hard working. They had to put up with me on the bad days, and I thank them all for being such good friends and hard workers.

I thank Mrs. Trepp for keeping the pressure on all of us and making us work harder, and for sticking up for us when we made a mistake. She is a lady with principles and guts.

Finally, I thank all of you for filling our fall semester with good memories. All of us can be very proud of ourselves.

Take care of yourselves and be good,  
John Durkee

# SPRING ASB

Burk Morgan

I was greatly honored to have been elected your Spring Semester ASB President. This past semester was a time of change and learning for you as well as me.

Many times before I've heard it said that no one at Arroyo has any spirit. Don't let this ever be said. The spirit this year has been fantastic!

I'd like to thank my commission who worked very hard and came up with a lot of creative ideas and put their minds and energy to good use. I'd also like to thank Mrs. Trepp for all of the help and encouragement she gave me during my term. I don't think anyone really realizes how hard she works for the students of this school.

A word of advice to the Seniors, whatever you do give it all you've got!! It will soon benefit you in many ways. For the underclassmen, get involved in your school, let people hear your views, and always keep trying.

Sincerely,  
Burk Morgan

# FOREIGN STUDENTS

I traveled to West Germany last summer with the Youth For Understanding foreign student exchange program. It was the most exciting event of my life! I met so many people from all over the world and made many good friends. I hope to return on my own as soon as I can. My host family was really nice and I miss them a lot. I encourage anyone with the opportunity to participate in any foreign exchange program to do so. The difference in the people, places, and the language made it an unique experience for me.

Tschus,  
Matt Coltrin

Hi, I'm really glad that I had this opportunity to be an exchange student. I have enjoyed Arroyo very much. I have met many new friends and I want to thank all of them for being so kind to me. I would also like to thank my host family, the Hall's, for opening their home and taking me to several places. This year has really taught me alot and I wish that everyone could get the chance to visit a foreign country. All my friends are welcome to my home whenever they come to Finland!

Your friend,  
Tiina Sillankorva

What a great experience this year has been! I've made so man, new friends and shared some memorable times. There were so many things to see and learn about, like the life in an American family, the school, and the California sunshine.

I'd like to thank Arroyo, both the teachers and the students, and especially the Worrell family for opening their home to me!

Love,  
Tricia McCleary

Hei alleammen,

This year I got the pleasant opportunity to be a Y.F.U. foreign exchange student here in El Monte, and to go to Arroyo High School. I've really enjoyed my stay here, and I'm hoping to return in a couple of years.

I would like to say thanks to all the people that helped make this year a nice experience for me. Special thanks to my American family, the Batholomews, that has been a true family to me!

Love,  
Irene Johaxisen

This year I had the opportunity to become an exchange student. I came to Arroyo and by this way I want to thank all the students here, who have been very nice to me. I also want to thank the Siegel's, my host family, who were wonderful!

I had a great time and if you ever get the chance to be an exchange student please do it!

Sincerely yours,  
Christa Abma

## COLUMBIA NORWAY HOLLAND

Hola! Que hubo?

You can never imagine my summer spent in Colombia, South America. Besides learning some Spanish, I learned the customs, the ideas, the Latin way of life, and I gained another family. I discovered that, among other things, the parties, dancing, foods, and scenery are quite different in tropical Colombia, not to mention the strong "macho" image.

I thank my host family, the Escalantes, for all their hospitality. I owe a lot to Arroyo High, AFS, and especially my family for their support in sending me to the little town of El Cerrito, Colombia.

Chao!

**Mrs. Stevens**

Opal Jeane Stevens became a Knight In September of 1961. During that eighteen year period she touched the lives of many students. Her versatility as teacher is second to none. Mrs. Stevens directed instructional programs for the English, Home Economics, Physical Education, Science, and Special Education Departments. In addition to her teaching duties she coached the "Debate Team" for seven successful years. Ten years ago we recognized her leadership qualities and appointed Mrs. Stevens as the chairperson for the Special Education Department. We all wish Jeane much success in her future endeavors. We will miss her talent as an educator.

**Mrs. McDuffie**

Isabelle McDuffie, the gracious lady from Virginia who has headed the Home Economics Department for many years has chosen to retire this year. Her personal examples of fashion, craftsmanship, and excellence in sewing, tailoring, cooking and home management have provided inspirations for many students. Fellow teachers and students alike will miss her friendly smile, soft voice, and willing hands. We wish her many happy retirement years.

## Dr. McCray

Dr. Nathan S. McCray came to the EMUHSD in July 1959. He is a native California who was raised in Southern California and graduated from Santa Barbara High School. Dr. McCray began his educational career as a teacher of American History and Senior Problems at Monrovia-Duarte High School. He also served as an assistant principal and sponsor of the student activities program, and later as an assistant principal for instruction. Dr. McCray also established the adult education program and attendance accounting systems for Arcadia High School Rosemead High School was his next assignment where he served as principal, and became assistant superintendent for personnel.

It is not often that a man with so many unique talents appears on the educational horizon. Those of us who have worked with Dr. McCray for the past twenty years will miss him as an able administrator, team member, and as a wise and valued friend.

## Mr. McReynolds

This year marked the 30th year in which Robert L. McReynolds has been employed as a public educator. In 1952 he moved to the El Monte Union High School District where he was employed as a Social Science teacher. "Mc", as his close friends call him, has taught Social Science at El Monte, Rosemead, and Arroyo High Schools. He also served as the Social Science Department Chairperson while at Arroyo. He has served the school, students, parents, and community faithfully for twenty-six years.

Those of us who will remain at Arroyo will miss "Mc". We know that his retirement will be blessed with good health, happiness and tranquility. We wish Robert L. McReynolds the very best in the years to come.

## Mrs. Rohrer

After serving Arroyo for fourteen years, Mrs. Alyce Rohrer will retire this June. She has been in the English department for this time and has primarily taught sophomore classes. She has, therefore, been an influence on over two thousand students.

In addition to her duties as a teacher, Mrs. Rohrer has been the advisor for The Quill, Arroyo's student literary magazine in recent years. The excellence of her guidance has been shown in the high quality of the magazine.

Her pleasant personality and sparkling smile will be missed by all. We wish her a long and enjoyable retirement.

Hi Diana

The cells are open, please step to the rear,  
School is open, prison sentence: one year.  
School's begun the beaches are now bare.  
We are at school chained to our chairs.  
I see dazed freshmen everywhere I go,  
They're very entertaining and know how to give a show.  
We had a real mild summer this year,  
Lots of sun and plenty of beer.  
Goodbye to summer and the good life we led.  
Now it's still dark outside when we get out of bed.  
The heatwave hit us with full impact,  
It was hard to keep our patience intact.  
School was the place that we were suppose to reach,  
But we had a better time down at the beach.  
Monday comes way, way too fast,  
And when Friday finally gets here you hear, "Weekend at last!"

Three cheers for Jack and Bob the party throwers;  
Three cheers for the senior class, the party goers.  
On weekends, there were parties and parties galore, If the beer doesn't run out we'll party some more!  
Kerry's the bravest to stand up to the twins,  
The "bull" was so thick she needed fins.  
Concerts came and they said "T"-shirts galore,  
By the time you got to the table, they didn't have anymore!  
The summer brought new groups on the spot.  
One thing for sure Van Halen is hot!  
Van Halen was a local band that went to the top.  
D.L. Roth's body and voice sure won't stop. (whew!)

After a two year wait, the new Black Sabbath came,  
But this one and the previous ones sound the same.  
Boston's new album is some music your ear can behold.  
After waiting this long, it better become gold!  
Kiss is still exploiting their fame with care,  
Next thing you know, there'll be Kiss underwear.  
But can they make music? They won't dare.  
The Stones made their comeback a success,  
Touring more and getting busted less!  
In all those depths of wavy hair,  
Does Nugent really have a neck down there?  
His music is loud, you now realize.  
His hair is just there, to protect, not to disguise.  
Jazz is the name of Queen's new L.P.  
But you won't find any in it, you see.  
For it's the title not the songs that has this name.  
It's full of good ole rock that has brought Queen fame.  
The World of Rock has lost Keith Moon.  
He was a great drummer and a social loon.  
The Who will never be the same.  
Without crazy Keith, whom no one could tame.  
Queen was back at the Forum in December.  
"Sophista Rock"-we'll always remember.  
Speaking of concerts, this makes me wanna cough,  
I bought some tickets through Troy, Boy did I get ripped-off.  
Because I was lazy, I wouldn't wait in line.  
I paid \$22.00 each, instead of \$9.75!  
Romances this year weren't just flings,  
Most ended up with promise rings.  
David and Sandy broke up at the start of school.  
Then they got back together and things seemed cool.  
Jeff and Mary found something in each other,  
He'd better get a job and no more money from mother.  
There's a guy at school who likes Ace/Space Young's,  
You can always hear Darryl-shouting "Whoo-ahh" thru his lungs!  
The Russian flu hit and school attendance was low,  
There were aspirins to take and noses to blow!

In a very short time, two popes have passed on.  
The world is very grieved, now that they are gone.  
Halloween was really great this year, C'mon everyone, let's hear it!  
There was a lot of trick or treats and a little too much "spirits".  
Working at the Haunted House was really eerie,  
By the end of the night the staff was weary.  
Laura Always has an eye out for the cops,  
As she races through the streets and runs all the stops.  
One day at lunch she did get a ticket,  
Laura felt like telling the cop to stick it!  
Speaking of tickets Clink's on top,  
With seven or eight he's holding the spot!  
Donna's got a couple, twice getting caught,  
65? Speeding? Who ever thought!  
Gossip, gossip, gossip the talk around school,  
If it's about you, "Just keep your cool!"  
Knights' Lady finalist were heard with mixed emotions.  
Some happy, some jealous, and lots of commotion.  
To get to school, Bob and Holly have quite a ride,  
Now that's what I call school pride.  
Mark tells everyone that golf's the game.  
Maybe someday it'll gain him fame.  
Wally's a gambler we all agree;  
Win, place, or show, Wally, which will it be?  
The Governor's office is sought by Younger and Brown.  
The loser will display much more than a frown.  
Jarvis took away some of our teachers.  
But after all they re-did our Stadium bleachers!  
Did you see those guy cheerleaders at that Pep Rally last time?  
I wish they'd shave those legs, public viewing-it's a crime!  
The opposing football teams played with determination,  
But left the field in total frustration.  
CIF is where our football team went with all our cheers,  
It was the first time in nine long years.  
The pep rallies are no longer considered dead,  
Especially when the attraction is shaving heads!  
Mayfair thought their team was hot,  
But after they played our Knights we knew they were not!

Diana  
I'm really glad we got to know  
each other this year, I wish I could of known  
you this earlier. You  
are such a nice  
person, I mean a  
really nice person.  
I hope you have  
some parties this  
summer, I be  
sure to be there  
That is if I'm  
invited. If I have  
any more parties  
you had better come  
I'll let you know  
when we do.  
I don't even have  
your phone number.  
I hope to see you  
at the beach this  
summer, go to  
Huntington between  
7 & 9. You haven't  
even given me  
a picture yet.  
I feel hurt. I hope  
you pass History so  
you don't have  
to take it  
again next year  
like I did. Although  
being in your  
class helped. You  
better keep in  
touch.

Bob  
Clinkaberry

"Crashberry"

The newspapers were right; to Temple City we were no threat,  
But proud of our Knights we are still yet.  
Attendance was up, for awhile, what's the reason?  
Could it possibly be, we had a winning season.  
Carol was crowned the new Homecoming Queen  
When the stands heard, we all yelled and screamed.  
I thought by now disco would be dead,  
But it keeps on going full steam ahead.  
The dances this year have been constantly bad,  
With no band playing the students were mad.  
L.A. started bussing kids across town.  
But among the kids on the buses you're to see frowns.  
But along with the bussing came heat wave.  
And the students in class would rant and rave.  
So to solve the problem they let kids out real early,  
Meanwhile, at the Bus Stop the set 'til 3:30!  
Thanksgiving vacation went by too fast.  
Most of us are back to our normal weight ... at last!  
Basic skills tests are here for the Senior Class.  
If we want to have good records, we must do more than pass.  
Edgaur Burgan we do miss.  
He was one of the greatest Ventriloquist.

The President this fall was John Durkee,  
He did a good job, he ain't no turkey.  
"Practice, practice, practice," is the phrase that we hear,  
From our pep squads as competition draws near.  
On November 11 the Songs were full of ambition.  
They got a 99.0 in competition.  
The band is sounding better this year,  
Or maybe it's just that we can't hear.  
The new Cross-Country coach was rearing to go.  
But some of the old team said, "No-show".  
The frosh-soph Cross-Country team was looking for an undefeated season!  
Hard work and dedication was mainly the reason.  
Band and Choir think they're slick,  
Selling candy that makes us sick!  
Peanut Butter candy is what was sold.  
Yeah, it's edible, or so I'm told.  
The Choir went for photos to Mexico City.  
Parking lots, skies, what a waste, what a pity.  
A big "79" was burnt on the lawn,  
To Victory Square attention was drawn.  
The Volleyball team is number one.  
They play real well and have a lot of fun.  
J.V. Cheers got flowers from the Varsity Volleyball team,  
At all of the games the J.V. Cheerleaders did scream.  
In December there were fires to the South, East and West,  
Then came the rains to denude the rest.

A band played at lunch in the rain,  
If you ask me, I think they were insane.  
The best part of the Christmas time cheer,  
Is the break from school and bringing in the New Year.  
"Reflections of Winter" was the theme for the ball,  
Laughs, good times, and joy for all.  
New Years Eve Parties were rally great,  
For once Belle got to stay out Late!  
What's that all decked out in yellow and pink?  
It's Mr. Whites' house, I most certainly think.  
Who could have committed such a terrible deed?  
To leave Mr. White's house all TPed!  
Southern Cal won the Rose Bowl, on a controversial play.  
So who's No. 1? Who cares anyway?  
The Rams football team exclaimed, "We are Superbowl bound!"  
But they did not make it past the first round.  
In the play-offs the Rams just ran out of luck.  
Is it true their new backs are M. Mouse and D. Duck?  
The rain brought some gloomy days,  
We soon anticipated the warm sun rays.  
Auto Shop is thought of by many as a lark.  
But with the rains, it's rumored, They're refurbishing an ark!  
An assembly to show us what we lack.  
A 45 minute commercial for Kodak.  
Band is selling calendars to try to make money,  
Advertisement and their pictures, they sure look funny.  
The wrestling team put on quite a show.  
After winning the championship for the second time in a row.  
The wrestlers this year were far from great,  
But Nick showed everyone by taking sixth in the state!  
The American dollar is starting to die.  
While the mark and the yen are blowing sky-high.  
The accident from a-far

It didn't look like Rick hit the other car.  
But what can I say I might be lying.  
And if John finds out I'll find myself crying!  
Being late to school was a pain,  
It was a big hassle to explain.  
Sent to the office for an excessive tardy,  
An hour to sit in guidance and party.  
We know of a teacher, a sub, not a main, So take it easy in class.  
For if we don't, we'll get attacked by a cane in our ...  
A teacher who is retiring is an X-Kamakazi pilot.  
She tried to look beautiful, but her age does beguill it.  
"Be a Basic Backer" is what they said.  
Those pencils, which must have been filled with solid gold lead.  
Good Old Bobby has pretty blond hair,  
But it looks like Bobby got really scared!  
Miss El Monte is Patti Tullai.  
If you have ever seen her you'll know why.  
We're doing the least that we can in each class.  
Hoping and praying that somehow will pass.  
In US History there are three teachers who put on quite a show.  
It sort of reminds me of Larry, Curly, and Moe.  
The reason that Government is a required course.

Fabryne!

So the students can have a rest and sleeping source.  
Mike makes it to government on rare days if ever,  
And by passing that class he will prove he's quite clever.  
Go to your classes the teachers all preach,  
But everyone is ditching to the snow and the beach.  
The lunch line has been changed now you pay before you eat.  
Get your burger open the buns and you find you don't have any meat.  
This year's the first without noon permits,  
Now the guards can't throw fits.  
The food there is great, of course I'm talking about Aggies.  
But some people don't think so and retitled it Gaggies.  
Parents are nagging at us to become employed.  
Our lazy ways have been destroyed.  
It's really tough going to school and to work.  
But I'm just another money-making jerk.  
As January goes on, finals draw near.  
Those torture-type tests that cause failure and fear.  
But soon they'll be over and we'll give a cheer.  
And those who failed will find comfort in beer.  
Roller-disco is something that is dangerous to do.  
One quick turn and your partner might be rolled in two.  
The new style is layer, plus one or two more,  
Which makes dressing in the mornings something of a chore.  
Fashions and styles have gotten out of hand.  
Old tweeds and men's ties were in demand.  
Spike heels were walking the town.  
Though feet were sore after roaming around.  
The 'perm' is the latest of the new hair styles,  
Unfortunately it looks like it'll be here a while.  
We all know where babies come from ... of course, the stork.  
Now there's infants from test tubes and Mork from Ork.  
Commercials have taken on even crazier stance.  
With soap that sings and more choruses that make cats dance.  
"Saturday Night Live" is still the best.  
When Steve Martin's host, Forget the rest!  
"Happy Days" is still very hot,  
But it's getting to where the Fonz is not.  
"ON" T.V. brought the theatre to your own living room.  
So at home we can watch Buddy Holly, Sha Boom.  
Jane Fonda's still protesting the war may sound funny.  
But with movies instead of marches she makes lots of money!  
It's a bird, it's a plane, look up in the sky.  
"Superman" made millions, proving man really can fly.  
"Animal House" is delightfully crude,  
To see it, you have to be in a fun mood.  
Cheech and Chong's "Up in Smoke" is surely a hit,  
And the audience laughs itself to bits.  
"All I liked was the music!" was repeatedly heard,  
"I can't be a champion, I'm only a nerd."  
Sophomores were excited about their school rings.  
To scrap up the money they'll do all sorts of things.  
Thank God for little favors like the class of 8-0.  
Altho Debbie hates this phrase; We'll call it dynamo!  
Juniors are gaining confidence and power,  
But above the seniors, no one shall tower.  
We've always said that we would shine,  
And shine we did, we're '79.  
Kim scroes high in the basketball games,  
She dribbles the ball and watches her aims.  
The basketball squad, started short, so it seems.  
When football went on to play CIF teams.  
Our basketball team ended third in the league.  
This was something we couldn't believe.  
To CIF our basketball team did go,  
But because of the distance not very many students did show.  
Excitement and nerves came with Homecoming Day.  
But a our freshmen princess relieved it with dismay,  
Embrassed to smile, her plight was dire,  
For on tooth, front and center was band and wire.  
Mary Ann is captain of the cheerleading team.  
As well as being the Basketball Homecoming Queen.  
The Homecoming Dance was a REAL blast!  
After the system went out everyone left in a flash!  
Teacher's are now wearing shorts, instead o slacks.  
Prop. 13, demands 50 percent cut backs.  
The ASB Elections came over the TV  
Thank God the Tub Broke, so we couldn't see!  
The elections this year were not so great,  
Because only a few wanted to participate.  
We said good bye to John when Burk was elected,  
He promised us things would be perfected.  
Wild and Crazy was the day  
People dressed up in an unusually way.  
"Our best investment," the teachers did cry  
On Febuary first the legislator heard whyl  
The Seniors were bothered by the Armed Forces.  
They offered classes, scholarships, and special courses.  
A day at Rio went over fine,  
A day out of school, no college in mind.  
The rumor was out, a good fight was coming.  
The administration forces sent bun warriors running.  
Food fight at lunch, what a wipeout at fact.  
I've got potatoes in my face, and Jello on my back.  
Donkey Basketball cancelled for lack of lads and lasses,  
Who wants to sit there and watch those jackasses.  
The price of gas is going up.  
They should make a car that runs on one cup!  
The first days of March brought a much enjoyed heat spell,  
As the weekend drew near, the temperature fell.  
We thought Bill Beer tasted like watered-down brew.  
Opened cans were many, but finished were few.  
But it must have had more zap then we thought,  
For Billy's in the hospital, he must have drunk a lot!

*Morrison!*

The Backwards Dance is coming.  
But some are mislead.  
It seems the Senior Class wants the background bright RED!  
Suzle and Rick are fighting about the dance,  
Fag white pants for Rick? No chance!  
Coach Sefton was voted the coach of the year,  
But when he gets mad no one is near.  
The eclipse of the sun was really no big thing  
No thunder, no fire works, nor a mere flash of lightening.  
The eclipse of the sun and the moon in line.  
They claim if you look at it you will go blind.  
The baseball team with Steve on the mound,  
Are on their way to CIF bound.  
Fizn say's "Jogging's good for everyone,"; I think that really stinks  
All it does for me is give me asthma, pain and muscle kinks!  
Sheild Staff if far from peaches and cream.  
More like traumatic days and nights of bad dreams.  
Typing, cropping and picture taking?  
It's all of a part of yearbook making.  
The CSF photo was scheduled/cancelled twice.  
But we could have used the pictures, cause the ladder showed it twice.  
Sheild Staff is a bit too loud,  
Instead of a few we sound like a crowd.  
Strange noises were often heard in Staff.  
No doubt-it was Mary Pagone's laugh.  
Bran likes blood and guts, he's known for that lable.  
I sure wouldn't want to find him near any operating table!  
Randy is the terror, pulling out of Burger King.  
The way he tears around corners its like he's launched from a spring!  
Retiree writing's filed by Belle kinda sloppy?  
"Thank God for a secretary and a duplicate copy!  
Can it be for protection from these aggressive males.  
That Leeanne spends a fortune on fibirglass nails?  
Mr. White is into rollar skating, but some of us are debating.  
'cuz if on those skates he tries to act funny  
The Band Aid Company will rake up the money.  
By the way, he thinks his skates are a big deal.  
Made of floresent orange and krypton wheels.  
The manufactures' name is O.S.S.  
But Belle still says it should be A.S.S.  
F. Stops, exposures, focus, it's funny,  
Ron's major concern is only gas money.  
The 78-79 Shield members were listed in the Banner,  
But how our names were spelled were in a totally different manner!  
Everyone in the Staff looked for their names in the list.  
466Where's my name?" Debbie exclaimed, This issue is she hissed.  
We're no getting angry, we're not going to sneer.  
All that we know is the Banner's gettin' it, in their pics this year.  
Debbie was in charge of odes this year,  
And when they were due the staff exclaimed, "Oh, dear!"  
Everyone acted as if it were a crime  
When Becky wrote odes that didn't rhyme.  
The worst punishment ever given to a human being  
Is writing odes- doing is believing.  
Robin's family is weird, or so it is said,  
Try saying that fast with a mouth full of bread!  
Is Burk perverted and why does he put,  
On the rear end of ladies, his dirty foot?  
Pablo Always looks alone,  
I think for his birthday we'll give him a clone!  
Julie's not sure if she's comming or going.  
Her seniorities sure is showing!  
Donna's drawings are really great.  
We all think they are first rate!  
Suzi is quiet during fifth hour.  
She saves her energy for cheerleading power.  
Burk and Lori had a one year anniversary,  
How she put up with him I'll never see!  
Rob's on the way, we're sure of that.  
First a man-eating fish then a rock 'n roll rat!  
Then there's Mr. Cool at Pasadena Artist Supply.  
"I can't get no more letters." lie, lie, lie.  
Someone will think this book is great, others will think it's worse  
Whoever puts down this "horrendous" Sheild will surely get the curse!  
Registrating for our Senior year sure seems strange.  
As we look back at ourselves as freshmen, there has been a lot of change.  
If you keep up with what's new you'll see peace talk's on channel 2,  
But if you turn to channel 7, you'll see the blood and guts of Iranian fueds.  
government in Iran, the rebels shout "Hurray."  
But now they're facing their own version of the ERA'  
The draft is destined to come back,  
In case of another country's attack.  
In the Middle East, Negotiations have found his nitch,  
He has made the original Peanut Butler and Jimmy Sandwich.  
China is at war, and Russia is mad,  
US says pull out, or Vietnam is had!  
Senior luncheon went well, hardly one thrown bun.  
But for pre luncheon functions. Beer-16: Water-none!  
The Prom is being held at the Queen Mary this year,  
Someone better aks me or I'll shed many a tear!  
It's time to sing annuals, creative minds nurture;  
"Have a good summer," "Best of luck in the future."  
Graduation practice produced all kinds of talk,  
After 12 years of school, are they learning to walk?  
The end of school is almost here.  
Days of sand and surf are near.  
Graduation is over, class of '79 is gone.  
Leaving room for the class of '80 to move on.  
The year, and t the ode are now done,  
So until the next one-good-bye-gotta run.  
The seniors all gone to seek fortune and fame,  
Gone-not forgotten-that's the name of that game.  
Remember the motto, keep "letting it shine"  
Good luck to the class of '79.

Diana,  
 I glad we stayed friends.  
 We've had alot of ups and downs.  
 But they seem to always turn  
 out for the best. Oh, well next

 it good. Maybe if your lucky

 Set your goals high and don't let  
 them down
